# Join us at

## Your Gateway to Lighting Excellence at

## A 3-Day Conference on GLOBAL LIGHTING & LED INDUSTRY

It is a chance to gain valuable insights from top industry experts and thought leaders helping you to build your repute in the international lighting market.

#### Join Top Experts at Canada Light Talks for the Latest in LED and Lighting Technology

We are thrilled to host Canada Light Talks, a premier three-day conference dedicated to advancing the lighting and LED industries. This event will feature top thought leaders and experts sharing their insights into the future of lighting technology. Hear from leading experts and industry visionaries as they discuss the latest trends and advancements.

## Who Should Attend?

#### Architects

- Building Contractors & Suppliers
- Building Material Stores
- Consulting Engineers
- Dealers/Distributors of Lighting Products
- Electrical & Lighting Stores/ Retail Chains
- Electrical Contractors
- Facility Managers
- 🝁 Real Estate Developers

- Govt Agencies & Municipalities
- Installers/System Integrators
- Interior Designers & Studios
- Lighting Designers & Consultants
- Lighting Engineers
- MEP Consultants
- Property Management Companies/

**Property Managers** 

& more.

# Why Attend?

## Unlock Opportunities at Canada Light Talks

Interact with prominent figures and innovators in the lighting and LED sectors.

Learn business perspectives that will help you navigate and lead in a rapidly evolving market.

Stay updated on the latest technology and industry advancements.

Meet professionals who share your interests and explore new collaborative opportunities.

All attendees will earn Lighting Agora approved Continuing Education Credits (CECs)

## TRACK : LEDs and DESIGN

Timing : 10:00 AM | Presentation 60 minutes

## Topic: Evaluating LED Colour in Design

An in-depth session on LED color evaluation for design optimization

#### Speaker:

## TRACK : Keynote Session

Timing : 11:00 AM | Presentation 60 minutes

## Keynote: The Future of LEDs & Lighting Industry

Join us to explore the latest innovations in LED technology

#### Keynote Speaker:

# Industry Networking Luncheon Timing : 12:00 PM

## TRACK : LED Controls and Dimming

Timing : 1:30 PM | Panel Discussion 60 minutes

## Topic: LED Controls

A discussion on the latest in LED control technologies and strategies

#### **Panelists:**

## TRACK : LEDs and DESIGN

Timing : 2:30 PM | Workshop 90 minutes

## Topic: Mastering LED Lighting Specifications

A practical workshop focused on advanced LED design techniques

#### Conducted By:

## Agenda For Day 2 14 Nov. 2024 | Thursday

## TRACK : LEDs and Health

Timing: 10:00 AM | Presentation 60 minutes

#### Topic: LEDs and the Aging Eye -Aging in Place

Learn about the benefits of LED lighting for the aging eye

**TOM BUTTERS** Founder & Executive Director **The Lighting Agora** 

Founder and Principal
LivABLE Environment Inc

## TRACK : LED Controls and Dimming

Timing : 11:00 AM | Presentation 60 minutes

## **Topic:**

## LED Controls for Commercial and Municipal Applications

Gain insights into effective LED control solutions for commercial and municipal settings

CHRIS WOLGAMOTT

Sr. Product Manager, Commercial Lighting, Consumer Products, HVAC Northwest Energy Efficiency Alliance

## TRACK : LEDs and Health

Timing : 1:00 PM | Fireside Chat 60 minutes

#### Topic: LEDs and Health

Join the conversation on how LEDs affect health

#### Speakers:

## TRACK : LED Controls and Dimming

Timing: 2:00 PM | Workshop 90 minutes

## **Topic:** Dimming with LEDs

Discover key techniques and practical strategies to perfect your dimming setups

Agenda For Day 3 15 Nov. 2024 | Friday

## TRACK : LEDs and Health

Timing: 10:00 AM | Presentation 60 minutes

#### Topic: Lighting to Support Circadian Rhythms

Discover how to tailor lighting to support circadian rhythms

Speaker:

## TRACK : LEDs and Exterior

Timing : 11:00 AM | Fireside Chat 60 minutes

## Topic: LEDs and Environmentally Friendly Exterior Lighting

Explore sustainable practices in exterior LED lighting with industry experts

#### Speakers:

**LEORA RADETSKY** Senior Lighting Scientist and the LUNA Program Director **DesignLights Consortium (DLC)** 

## TRACK : LED Controls and Dimming

Timing : 1:00 PM | Presentation 60 minutes

## Topic: How Sustainable Energy Options are aligned with Lighting

Explore how sustainable energy options complement lighting technologies to create eco-friendly solutions

Speaker:

## Register As a Delegate

#### **EARLY BIRD PASSES**

(Available until October 31, 2024)

**1 Day:** \$100 CAD **2 or 3 Days:** \$200 CAD

#### **REGULAR PASSES**

(Available from November 1 to 12, 2024)

**1 Day:** \$125 CAD **2 or 3 Days:** \$250 CAD

#### **ONSITE REGISTRATION**

(Available from November 13 to 15, 2024)

**1 Day:** \$150 CAD **2 or 3 Days:** \$300 CAD

#### Note\*

The delegate fee does not cover travel or accommodation expenses.

Make sure that the amount you remit is equivalent to the invoice total.

Transaction fees in currency exchange rates may leave a payment deficit, for which you will be liable.
