Your Gateway to Lighting Excellence at

A 3-Day Conference on **GLOBAL LIGHTING & LED INDUSTRY**

It is a chance to gain valuable insights from top industry experts and thought leaders helping you to build your reputation in the international lighting market.

Join Top Experts at Canada Light Talks for the Latest in LED and Lighting Technology

We are thrilled to host Canada Light Talks, a premier three-day conference dedicated to advancing the lighting and LED industries. This event will feature top thought leaders and experts sharing their insights into the future of lighting technology. Hear from leading experts and industry visionaries as they discuss the latest trends and advancements.

Who Should Attend?

- ✦ Architects
- ✦ Building Contractors & Suppliers
- ✦ Building Material Stores
- ✦ Consulting Engineers
- ✦ Dealers/Distributors of Lighting Products
- ✦ Electrical & Lighting Stores/ Retail Chains
- ✦ Electrical Contractors
- ✦ Facility Managers
- ✦ Real Estate Developers
- ✦ Govt Agencies & Municipalities
- ✦ Installers/System Integrators
- ✦ Interior Designers & Studios
- ✦ Lighting Designers & Consultants
- ✦ Lighting Engineers
- ✦ MEP Consultants
- ✦ Property Management Companies/
Property Managers
& more.

Why Attend?

Unlock Opportunities at Canada Light Talks

Interact with prominent figures and innovators in the lighting and LED sectors.

Learn business perspectives that will help you navigate and lead in a rapidly evolving market.

Stay updated on the latest technology and industry advancements.

Meet professionals who share your interests and explore new collaborative opportunities.

**All attendees will earn Lighting Agora approved
Continuing Education Credits (CECs)**

Agenda For Day 1 13 Nov. 2024 | Wednesday

TRACK: LEDs and DESIGN

Timing : 10:00 AM | Presentation 60 minutes

Topic: Evaluating LED Colour in Design

An in-depth session on LED color evaluation
for design optimization

Speaker:

ROBERT LANTEIGNE
Founder
Lightbob

TRACK: Keynote Session

Timing : 11:00 AM | Presentation 60 minutes

Keynote: The Future of LEDs & Lighting Industry

Join us to explore the latest innovations in LED
technology

Keynote Speaker:

MARK LIEN
President
Augmented Illumination

Industry Networking Luncheon

Timing : 12:00 PM

TRACK : LED Controls and Dimming

Timing : 1:30 PM | Panel Discussion 60 minutes

Topic: LED Controls

A discussion on the latest in LED control technologies and strategies

Panelists:

WEBSTER MARSH
Owner
Penumbra Controls

ANDREW PARKER
Partner
Salex

WILL NORRIS
President
VxV Solutions

TRACK : LEDs and DESIGN

Timing : 2:30 PM | Workshop 90 minutes

Topic: Mastering LED Lighting Specifications

A practical workshop focused on advanced LED design techniques

Conducted By:

DEBORAH GOTTESMAN
Principal
Gottesman Associates

+

SHARYN ADLER-GITALIS
Associate Lighting Designer
Gottesman Associates

Agenda For Day 2

14 Nov. 2024 | Thursday

TRACK: LEDs and Health

Timing : 10:00 AM | Presentation 60 minutes

Topic: Lighting to Support Circadian Rhythms

Discover how to tailor lighting to support circadian rhythms

Speaker:

ROBERT SOLER
Founder and Chief Scientist
BIOS Lighting

TRACK: LED Controls and Dimming

Timing : 11:00 AM | Presentation 60 minutes

Topic: LED Controls for Commercial and Municipal Applications

Gain insights into effective LED control solutions for commercial and municipal settings

Speakers:

CHRIS WOLGAMOTT
Sr. Product Manager, Commercial Lighting,
Consumer Products, HVAC
Northwest Energy Efficiency Alliance

ABIRAN RAVEENTHIRAN
Principal
VxV Solutions

TRACK: LEDs and Health

Timing : 1:00 PM | Fireside Chat 60 minutes

Topic: LEDs and Health

Join the conversation on how LEDs affect health

Speakers:

ROBERT SOLER
Founder and Chief Scientist
BIOS Lighting

DAWN BROWN
Owner and Principal Designer
Ontario Aesthetic Lighting Design

TRACK: LED Controls and Dimming

Timing : 2:00 PM | Workshop 90 minutes

Topic: Dimming with LEDs

Discover key techniques and practical strategies to perfect your dimming setups

Conducted By:

ANDREW PARKER
Partner
Salex

+

WEBSTER MARSH
Owner
Penumbra Controls

+

JOHN KEATING
Consultant
JV Keating

Agenda For Day 3

15 Nov. 2024 | Friday

TRACK: LEDs and Health

Timing : 10:00 AM | Presentation 60 minutes

Topic: LEDs and the Aging Eye - Aging in Place

Learn about the benefits of LED lighting for the aging eye

Speakers:

TOM BUTTERS
Founder & Executive Director
The Lighting Agora

LINDA KAFKA
Founder and Principal
LivABLE Environment Inc

TRACK: LEDs and Exterior

Timing : 11:00 AM | Fireside Chat 60 minutes

Topic: LEDs and Environmentally Friendly Exterior Lighting

Explore sustainable practices in exterior LED lighting with industry experts

Speakers:

SHIRLEY COYLE
President
Cree Lighting Canada

LEORA RADETSKY
Senior Lighting Scientist and the
LUNA Program Director
DesignLights Consortium (DLC)

TRACK: LED Controls and Dimming

Timing : 1:00 PM | Presentation 60 minutes

Topic: How Sustainable Energy Options are aligned with Lighting

Explore how sustainable energy options complement lighting technologies to create eco-friendly solutions

Speaker:

DAVID KATZ
Board Chair
Ontario Sustainable Energy Association

Buy Conference Pass Ticket

ONSITE REGISTRATION

(Available from November 13 to 15, 2024)

1 Day: \$150 CAD
2 or 3 Days: \$300 CAD

Note*

The delegate fee does not cover travel or accommodation expenses.

Make sure that the amount you remit is equivalent to the invoice total.

Transaction fees in currency exchange rates may leave a payment deficit, for which you will be liable.
