

Canada Light Expo 2025 Press Release

Strong Exhibitor Response: 95% of Booths Already Sold for Canada Light Expo 2025

Toronto, Canada— The demand for exhibition space at Canada Light Expo 2025 has reached record levels, with 95% of booths already booked ahead of the show. In response, organizers are expanding the floor area to accommodate additional exhibitors, reinforcing the expo's status as Canada's central hub for lighting innovation, technology, and industry networking.

Scheduled for 12–13 November 2025 at the International Centre, Toronto, the show will feature 75+ brands and 1,000+ innovative products, making it the leading exhibition in the lighting industry. This impressive scale highlights the surging demand from domestic and international buyers seeking the latest developments in LED, smart, energy-efficient, and sustainable lighting solutions.

The show floor also offers a lot of show attractions which include Networking Panels over lunch on AI, another exciting luncheon networking includes a panel of experts from ARIDO. Not just that the evening hosts a networking event on lighting called Lovers of Light & a lot more for all to gain, network, explore & grow their business.

Canada Light Expo 2025 has established itself as the premium platform for lighting industry professionals. Exhibitors can showcase their latest innovations, gain direct access to key decision-makers, and connect with a highly targeted audience. The expanded exhibition space allows even more brands to participate and present products shaping the future of lighting.

“It's inspiring to witness how Canada Light Expo has grown into a powerful platform for the entire industry. The strong exhibitor response is proof of the opportunities ahead, not just for companies but for the Canadian lighting market on a broader scale. We are

excited to host an edition that will drive innovation, partnerships, and long-term growth for the sector, said Gaurav Juneja, Director at MEX International Inc”.

Exhibitors will benefit from unmatched opportunities to network with industry experts, discover breakthrough technologies, attend expert-led sessions, enhance visibility, generate leads, and build lasting client relationships. The Expo is the ideal platform for brands offering sustainable, energy-efficient, or human-centric lighting solutions to stand out in a rapidly evolving market.

The event brings together the complete lighting ecosystem, including architects, interior designers, electrical engineers, contractors, retailers, distributors, developers, and facility managers professionals who are actively sourcing leading-edge lighting solutions. With a strong focus on innovation and sustainability, the exhibition showcases diverse key segments, ranging from architectural lighting, landscape lighting, and smart lighting to energy-efficient, sustainable, human-centric, high-end decorative, healthcare, and horticulture lighting.

Canada Light Expo 2025 is more than just an exhibition, it is an essential platform driving collaboration, shaping industry trends, and fostering growth in Canada’s lighting market. With its unmatched scope and global participation, the event promises to deliver a transformative experience for exhibitors and buyers alike.
