

# CLE - Press Release - Call for Speakers

## Final Call for Speaker Submissions: Canada Light Talks 2026 Invites Industry Leaders to Share Insights

**Toronto, Canada** — Canada Light Talks 2026, the premier knowledge-led conference shaping the future of the lighting industry, has announced the final call for speaker submissions. Professionals interested in contributing to the 2026 edition must submit their proposals **on or before March 15, 2026**.

Recognized as a leading platform for innovation, research, and thought leadership, Canada Light Talks attracts a diverse and influential audience from across North America and around the world. The conference engages **architects, interior designers and studios, lighting designers and consultants, lighting engineers, facility managers**, and other decision-makers shaping lighting and built-environment strategies.

### Speaker Submission Requirements

Professionals interested in presenting at Canada Light Talks 2026 are required to submit the following materials:

- A compelling session title
- A 100–200 word professional biography
- An appropriate brand logo
- A high-resolution speaker photograph
- Topics they are open to presenting
- Preferred session format: **Keynote, Panel Discussion, or Fireside Chat**
- A link to their **LinkedIn profile** or **professional website**

Submissions must be complete to be considered for the final review.

### Topics of Interest

Canada Light Talks 2026 welcomes thought-provoking presentations, research, and case studies aligned with contemporary and future challenges within the lighting industry. Themes include:

- Light and Health
- Environmentally Friendly Exterior Lighting
- AI in the Lighting Industry
- Light and Design
- Lighting Controls and Systems
- The Future of Lighting
- Light and Justice
- Application-Specific Lighting Design Strategies and Techniques
- Improving Quality of Life for Seniors

Experts with unique perspectives and innovative contributions are strongly encouraged to apply.

### Limited Speaking Opportunities Available

With a limited number of speaking slots, the organizing team urges prospective speakers to complete their submissions before the deadline. Shortlisted speakers will be contacted directly by the Canada Light Talks programming committee.
