

## Canada Light Expo 2026 Press Release

June 2026

### Canada Light Expo 2026 To Unite Canada's Lighting Industry Under One Roof

**TORONTO, ONTARIO– Canada Light Expo 2026**, the country's premier exhibition for the lighting and LED technology sector, will return to the International Centre, Toronto, on **18–19 November 2026**. Marking its **3rd edition**, the event is expected to bring together more than **100 leading brands** and showcase over **1,000 lighting solutions**, connecting manufacturers, designers, specifiers, distributors, contractors, and decision-makers from across the global lighting industry.

Positioned as a key business and networking platform for the lighting sector, the two-day exhibition will spotlight innovations shaping the future of the lighting industry. Attendees will gain access to the latest technologies across energy-efficient and sustainable lighting, landscape lighting, smart lighting, healthcare lighting, horticulture lighting, human-centric lighting, and high end decorative lighting solutions.

As demand continues to grow for intelligent, sustainable, and performance-driven lighting solutions, **Canada Light Expo 2026** aims to provide a platform for industry professionals to explore emerging technologies, discover new business opportunities, and strengthen connections across the lighting value chain.

### Agency Partners, Sponsors, and Associations Unite at Canada Light Expo 2026

**Dark Tools**, joins as the **Connection Section Sponsor**. Official agency partners representing some of the most sought-after product lines in the industry, like **TPL (True Partners in Lighting)**, **Omnilumen**, **Salex**, **Metrix Lighting & Controls** & **Toronto Lightworks**, are offering attendees access to a diverse portfolio of solutions and expertise.

Strong media & Industry support are committed to advancing the lighting solutions. Subsequently, **Silver Sponsors** are **AXIS & Cree Lighting Canada**. **Axis**, known for high-performance lighting, combines design flexibility & energy efficiency, while **Cree Lighting Canada**, a renowned innovator in LED technology, combines energy efficiency with visual comfort.

The exhibition is backed by some of the most respected association partners, such as **IES Toronto Section**, **WILD (Women in Lighting + Design)**, **IALD CANADA**, **Women in Lighting (WIL)**, **The Nuckolls Fund & Electro Federation Canada**.

### Canada Light Talks Brings Expert Insights to the Forefront

A key feature of the exhibition is Canada Light Talks, the event's dedicated conference programme designed to encourage knowledge sharing and professional development. The

programme will feature presentations, panel discussions, and practical workshops led by industry leaders, lighting professionals, and subject matter experts. Discussions will explore emerging trends, technological advancements, sustainability initiatives, lighting controls, design innovation, and application-focused solutions influencing the sector today.

**Lighting Agora (LA)** serves as the official **Knowledge Partner** & **Casambi** is the **Workshop Sponsor**.

Canada Light Expo 2026 is expected to attract architects, lighting designers, engineers, electrical contractors, consultants, distributors, dealers, facility managers, and professionals from diverse sectors seeking to stay ahead of industry developments and connect with leading solution providers.

### **Industry Leaders Emphasize Innovation, Collaboration and Growth at Canada Light Expo 2026**

“Canada Light Expo has become an important meeting point for the lighting community, bringing together innovation, expertise, and business opportunities under one roof. This edition is a commitment to building a platform where professionals can connect, exchange ideas, and explore the latest lighting innovations,” said **Mr. Gaurav Juneja, Director, MEX International Inc**

Meanwhile, **Ms. Himani Gulati, Director of Sales- International Market, Canada Light Expo** stated, “This edition of Canada Light Expo is a leading stage for innovation, collaboration, and industry leadership, reinforcing Canada’s growing influence in the lighting sector”.

Registration details, exhibitor opportunities, sponsorship information, and conference updates are available at [www.canadalightexpo.com](http://www.canadalightexpo.com).

### **Unlock Opportunities at Canada Light Expo 2026**

Building on the success of previous editions, Canada Light Expo continues to strengthen its position as a leading platform for the lighting industry. The event has consistently facilitated meaningful business connections, strategic partnerships, and valuable knowledge exchange among industry professionals. With growing participation from leading brands, designers, specifiers, and technology providers, the 2026 edition is set to deliver expanded opportunities for networking, collaboration, and business development while showcasing the innovations shaping the future of lighting.
